The purpose of our Refund/Voucher/Transfer Policy is to allow the YMCA to maintain quality programs and proper camp ratios while maintaining flexibility with our members and participants. All requests are subject to director approval and take 2-4 working days for approval. Refunded amounts will be based on the statements below.

**Refund/Vouchers**

- Before the start date of the camp: 100% voucher or refund less program deposit and vendor fees
- After the first meeting of the camp: 75% voucher or refund less program deposit and vendor fees
- After the second meeting of the camp: \$0 refund (medical/special circumstance at the branch's discretion)

**Payment Policies**

- Balances are due on the **Monday (7 days)** before the first day of each camp. Unpaid balances will result in a deletion from the program (and loss of deposit) to open space for other registrations. Campers may re-register and pay the full fee for the camp from which they were deleted (if space permits).
- Camp full fees are \$25 more than early bird pricing and are effective **Tuesday (6 days)** before the camp begins
- Camp deposits are fully transferrable to another camp up to the second day (if space permits)
